

Pedestal + Cable Holder

Robust

Scratch-resistant powder coating and made of acid-proof stainless steel.

Weatherproof

Gives you more freedom to install MaxiCharge AC where it suits you best

Optional

Choose between one or two MaxiCharger on the same pedestal

Extra

The cable hole and the mounting plate are designed to fit perfectly with the Autel EV charger.
The square section is 80mm x 80mm and the solid 5mm base plate has pre-drilled holes for bolting down.
At 1.3m tall, it is the perfect height for everyday use
